- Do you feel you just don't get anything out of coming to Mass?
- Would you like to experience Jesus Christ and the power of the Holy Spirit?
- Have you ever asked yourself "What's the purpose for my life?"

### We cordially invite you to Discovering Christ

Across the nation, adults are seeking to hear the Good news and personally encounter Jesus Christ. Discovering Christ program will help you enter or renew a personal relationship with Jesus Christ, to experience the love of the Father, and be empowered by the Holy Spirit.

***Discovering Christ*** is a seven-week experience that invites us to hear the Good News and personally encounter Jesus Christ. The series is for anyone **18 years** or older who are interested in beginning or renewing their personal relationship with Jesus

For seven weeks, participants will enjoy a free dinner; listen to a DVD video teaching; and join in a small group discussion about the meaning of life in Jesus Christ. The program also offers a life-changing, one day retreat after session 5.

This course is designed to revitalize your faith or to bring your family and friends who have been away from the church back home again.

*Are you asking? Am I proactively seeking Jesus? Am I making an effort to experience him? Am I curious about him? Am I in a hurry to meet him? Am I happy to welcome him? What change is your heart prescribing for your life?*
